COLLECTION - 1.8

A TRANQUIL AND THERAPEUTIC SHOWER EXPERIENCE

Oyster Bath brings to you an elaborate realm of your own in the form of our shower enclosure that creates the perfect mood of tranquility for you. The shower enclosure separates the wet area of your bathroom allowing you to maintain cleanliness. These masterpieces are designed in top quality materials and created with skillful designs. The use of high end and modern technology magnifies the grandeur of decor of your bathroom with each water droplet providing rejuvenation.

Our bathroom shower enclosure is engineered with precision and can be customized in order to match the size and requirements of your bathroom space. Our range offers a variety of designs and is user-friendly. Some of the best-selling shower enclosures series are Dassh, Cameo, Trifle and Caster. Wait no more! Oyster Bath is your one-stop solution for buying premium and elegant bathroom shower cabins in India.

BENEFITS OF SHOWER ENCLOSURES

Enhancing Styles:

Elevating style in a refreshing and pleasant aura with contemporary and aesthetic appeal.

Oyster Glass:

With transparent and toughened features the Oyster Glass used in the enclosures comes with easy clean treatment.

Low Maintenance:

The enclosures are durable and easy to clean. Also, there is a reduced chance of scale because of easy clean glass treatment.

Managing Bathroom Space:

The shower enclosure won't encroach upon the available space of your bathroom as it is designed to adapt to the existing space and make it look more spacious.

Easily Customizable:

The users can customize the enclosure according to their needs and preferences. A wide range of designs are also available to choose from.

Safe and Protective:

Oyster uses toughend glass, which is safe and durable.

Durable and Long-lasting:

With a single time installation need, these enclosures are durable and last for a longer period of time.
