# Wellness Life's Goal

## START MAKING HEALTHY CHOICES

In a broader term, wellness can be defined as a lifestyle choice that we make to keep ourselves healthy and happy. It involves personal satisfaction level, a good feeling in oneself that goes beyond just good looks. This positive state of health creates a more meaningful existence for individuals, and can be achieved through an active process.

# India's Wellness Partner

Proudly proclaiming ourselves as India's wellness partner since 2003, we focus on constant innovations that are ahead of the time, as only revolutionary solutions can eradicate multiple health problems, soothe your body, mind and let you step into the world of wellness. With centralized customer care approach we eye towards delight rather than satisfaction for our brand believers.

We aim to impact the world with the healing properties of water.  
We endeavour to become the wellness partner of every home  
and India's most preferred wellness brand.

# Mission

# Vision

We look forward to infuse wellness into the lives of people and heal the world with the therapeutic powers of water, and to revolutionize the perspective of the world towards luxury bathing solutions.

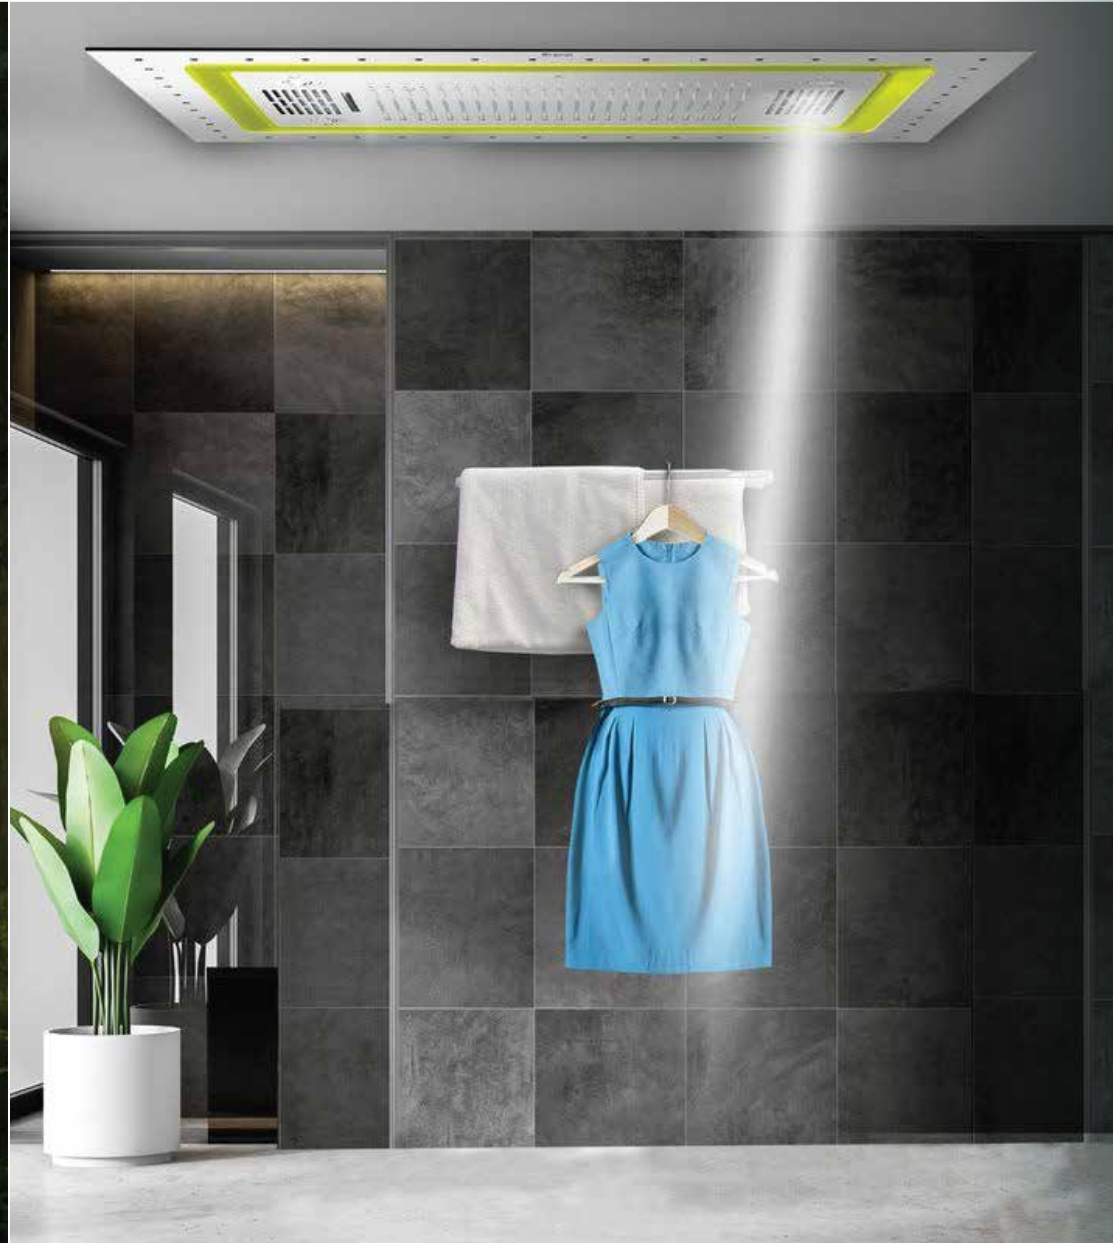

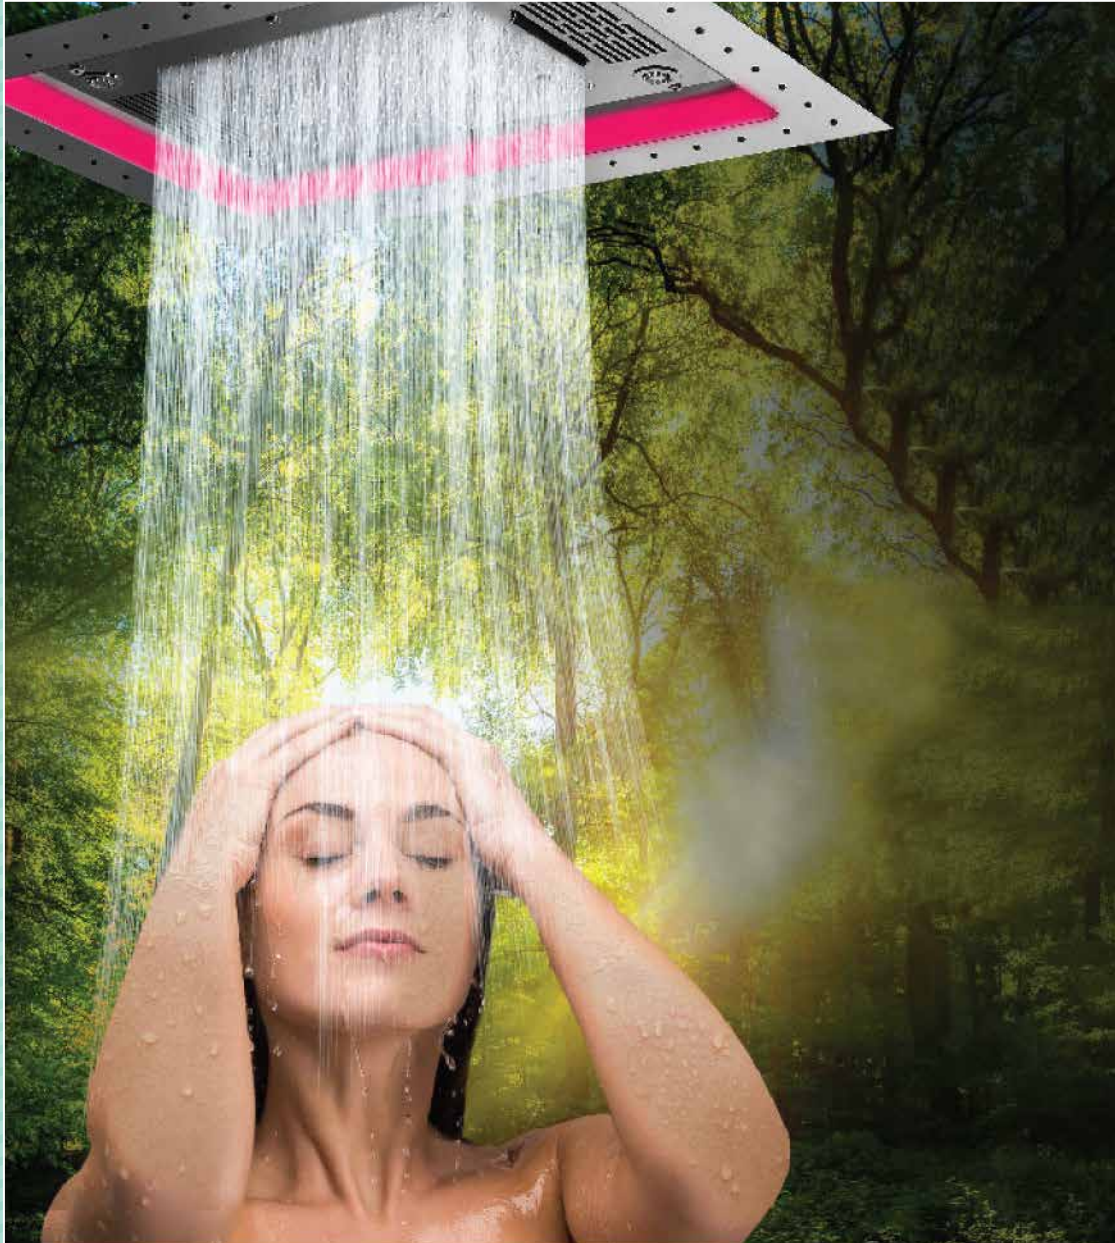

# Inventing Technologies, Innovating Solutions

**INTRODUCING REVOLUTIONARY, AVANT-GARDE  
TECHNOLOGIES INTO BATHING**

Our endeavours to enrich bathing experience made us a leading wellness brand in India. We are credited with providing advanced lifestyle choices related to bathing. Due to the growing popularity of ceiling shower plus steam, we invented Sunshower- a shower with dryer technology and unbeatable features. Our shower enclosures come with rooftop to facilitate easy bathroom installations. We also revolutionized the concept of oxygen-rich bathing with Oxyjet.

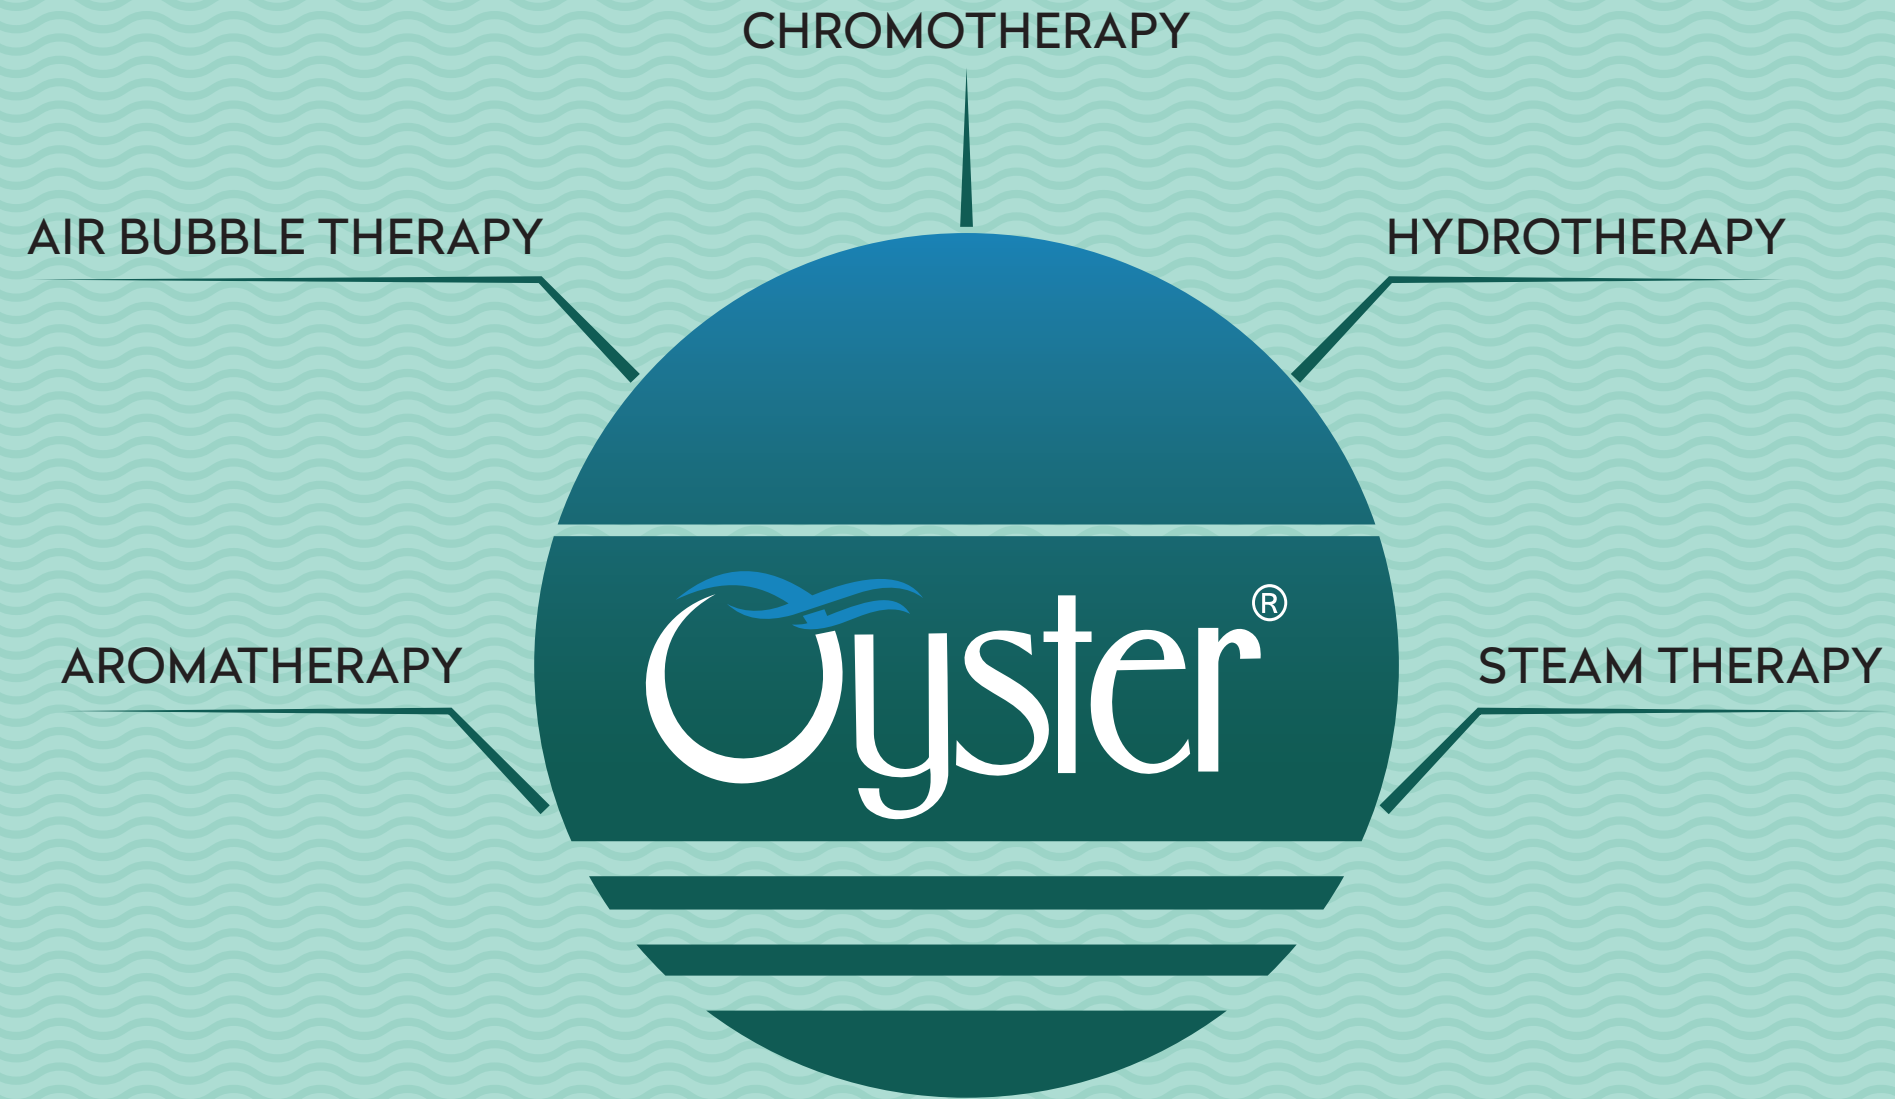

# A Unique Blend of 5-Layer Therapies

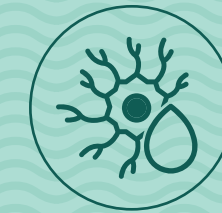

Oyster with its trailblazing wellness products gives you wellness with Aromatherapy, Air Bubble Massage, Chromotherapy Hydrotherapy and Steam Therapy. Each of these therapies contribute to creating an invigorating experience that alleviates your mood and heals your body.

Luxury **BATHTUBS**

# Innovation to Rediscover the Realm of Wellness

Through extensive R&D and with the proper understanding of water's healing properties, Oyster has created a series of bathtubs which are pools of liquid luxury. By introducing multiple breakthrough technologies in its bathtub range, Oyster has set a benchmark for the industry.

Free Standing **BATHTUBS**

# Embrace Self-Care in Cozy Statement Pieces in your Bathroom

Freestanding bathtubs are elegant and comfortable picks for modern, contemporary bathrooms. Freestanding bathtubs in a variety of shapes, models and functionality form the centerpiece of any bathroom.

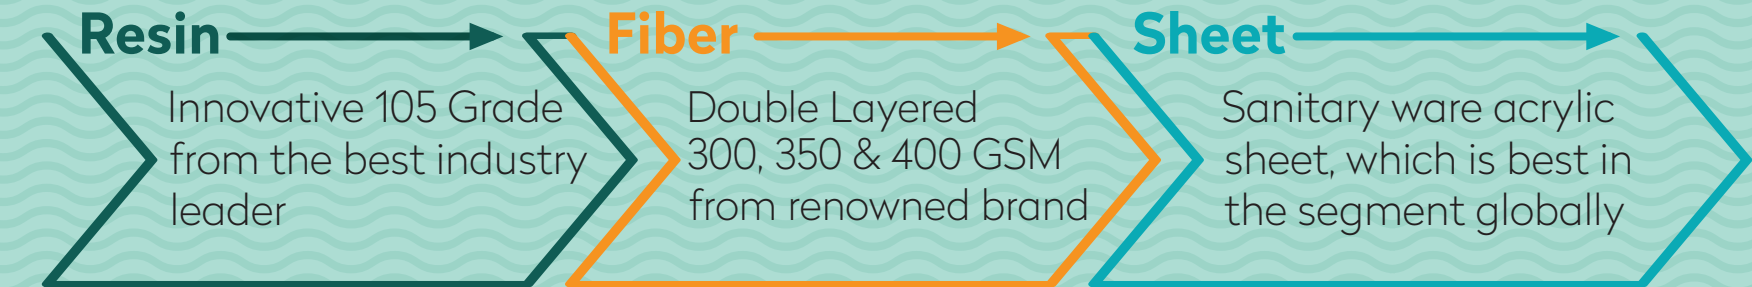

# What Makes Oyster Bathtubs Superior?

**Best machinery and plant:** State-of-the art equipment, advanced manufacturing facility at Ghaziabad and cutting-edge technology enables us to deliver the best quality.

Usage of best raw materials procured from India and around the world helps us meet stringent quality standards.

01

Top graded energy efficient pumps from reputed global brand used in Whirlpool bathtubs for higher efficiency in water movement.

02

We are India's first Bathtub brand to carry successful modification and addition of silencer technology in Air Pumps. It reduces noise level up to 8 decibels.

03

We also take credit for being India's only Bathtub brand that is manufacturing Split Whirlpool / Air bath on demand.

04

To ensure long life of our products, we have added SS 18-to-20 gauge square bars in every bathtub stand.

05

Our acrylic Lucite sheet structures are guaranteed for lifetime against any manufacturing defect, including colour fading.

Premium **SPA**

# Relax and Refresh Whenever you are at Home

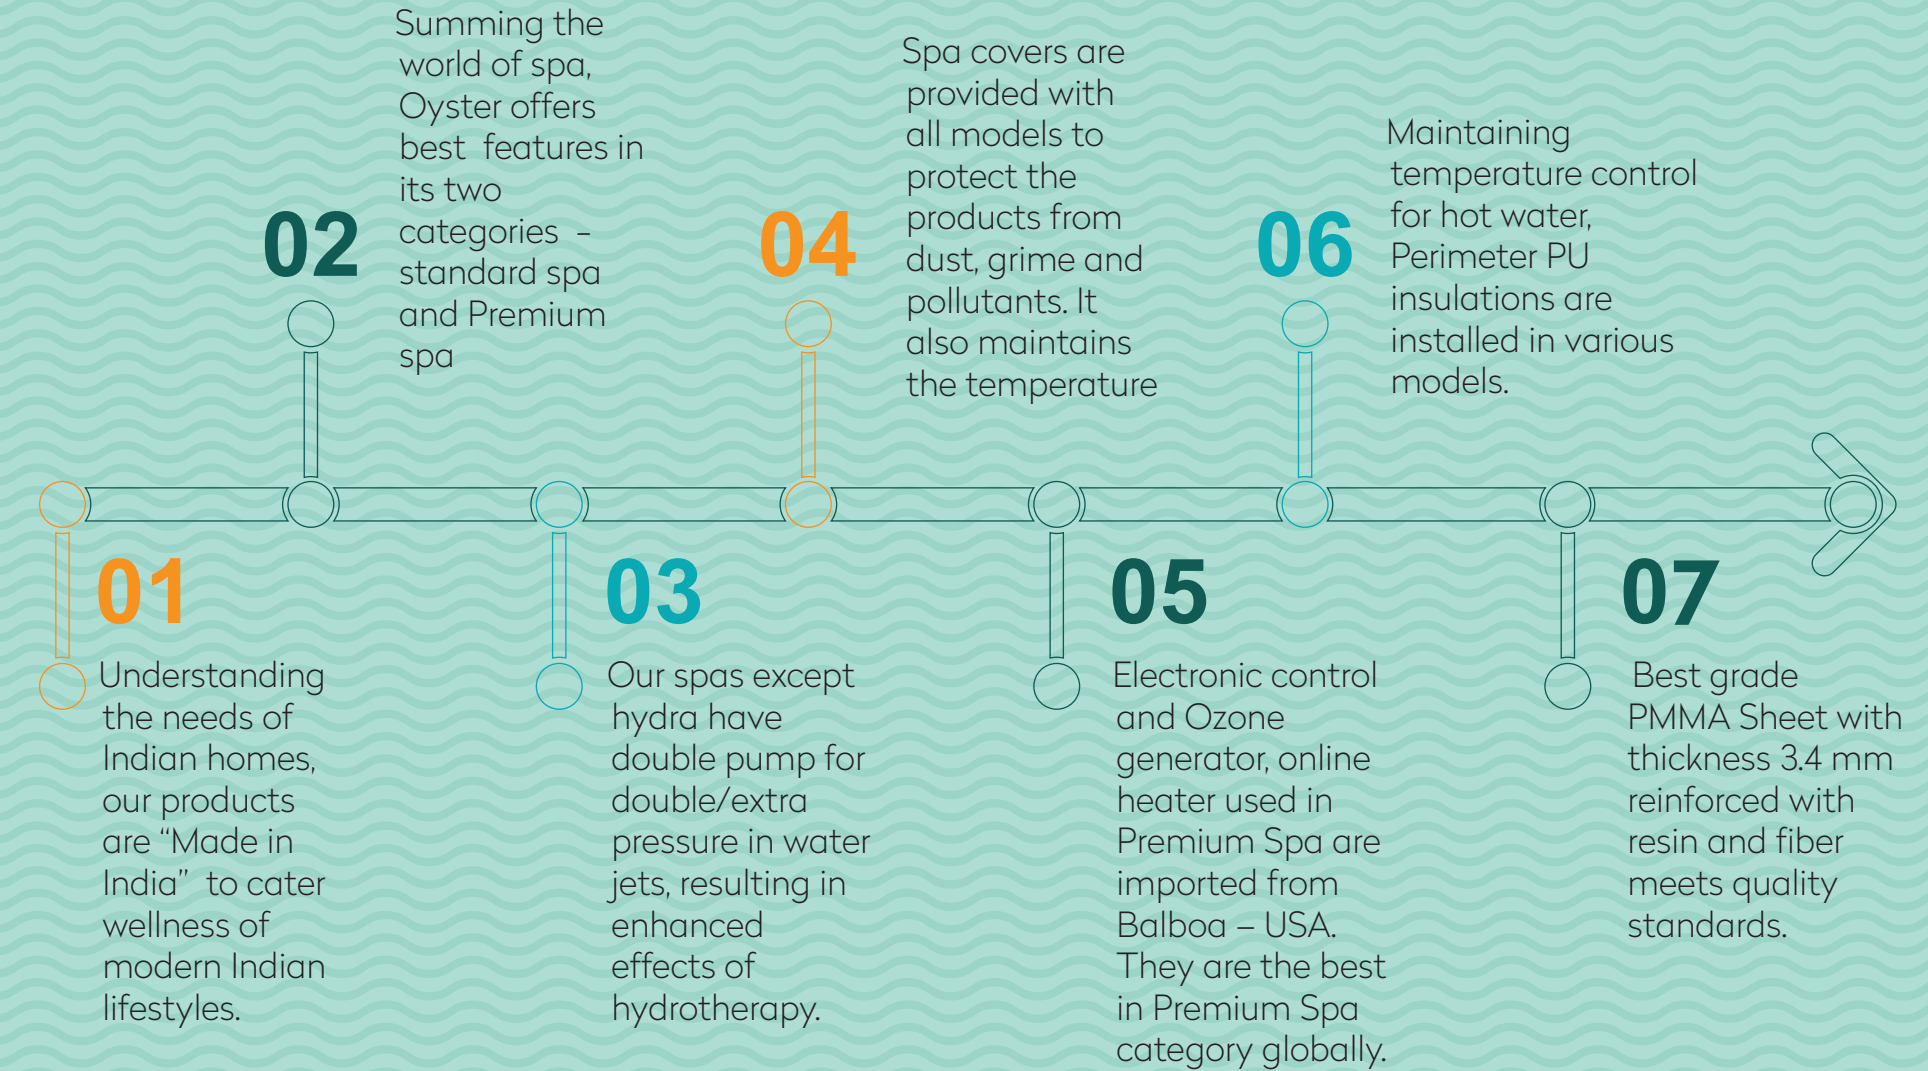

Of the most relaxing and refreshing things in life, your spa will be your favourite. Each one among Oyster's spa-range possesses specific functionalities and help releasing stress. Body's nerve get relaxed with adjustable water pressure, boosting your wellbeing and leaving your muscles refreshed.

# Reasons to Choose Oyster SPA

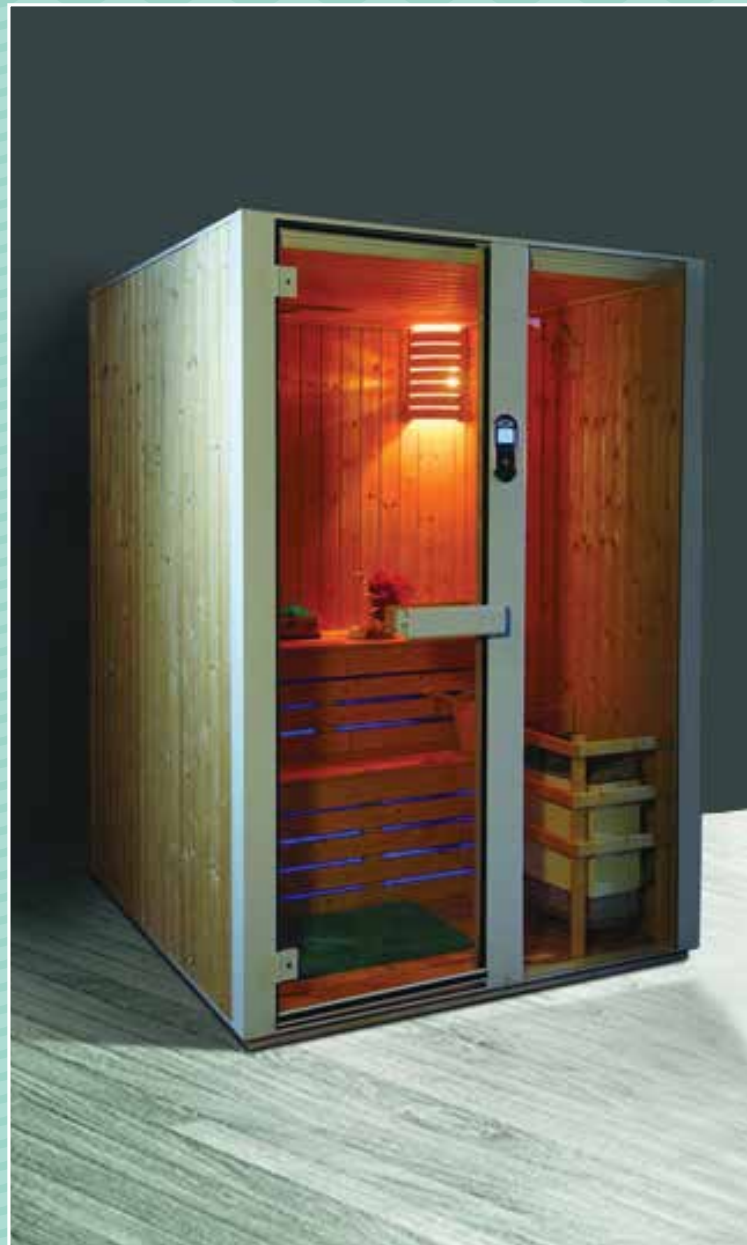

Steam & **SAUNA**

# Steam and Sauna Crafted for your Wellness

Incorporating the best sauna technologies, Oyster's steam and shower columns make it easy to have a perfect sauna anytime you wish. Deep sweating boosts the body's natural immunity system, reduces stress, and improves sleep cycle. Oyster's steam and sauna are magnificence designed for modern homes.

# Know Your Product

01

Made in India for Indian environment and lifestyle. Designed to suit electrical conditions, lifestyle needs and homes of modern India.

03

High-quality steam generators are Made in India for rich experience.

05

Best-in-class 304# Stainless Steel tank, 18 gauge (1.2mm) thick sheet comes with 5-year guarantee.

07

To ensure long life and higher efficiency of steam and sauna, heating element with 1mm thickness and 316#SS are used.

02

Driving innovation on the forefront, innovative scale resistant technology (Water sensor) is used for longer lifespan of generator.

04

Zero hassles for replacing Touchpad within few minutes. Oyster assures replacement of touchpad free of cost within first two years, in case of any defect or malfunctioning.

06

Among the brands in India, we manufacture traditional Sauna from conventional natural materials like low resin, slow growing finish white Sitika Spruce with many small knots and pronounced grain.

Shower **COLUMNS**

# Tune in with Nirvana Under Exclusive Shower Panels

Irresistible range of ultramodern shower panels luxuriously stimulate wellness through water. Its adjustable shower heads, movable misty jets, spray jets, overhead cascade and hand showers make every bath more rejuvenating. The contemporary designs easily transform any old-fashioned, traditional bathroom into a modern one, while easy installation features facilitate remodeling or renovation.

# Product Intro

More freedom to choose high-end fittings for your bathroom. Based on installation process, both recessed and exposed shower column are offered.

Highly durable, safe and easy-to-clean Recessed shower panels are available in 304# SS.

Best quality, contemporary shower panels are available in pure coloured acrylic sheet, anodized aluminium sheet of thickness 1.5 mm, tempered lacquered glass & Stainless Steel of 1.2 mm, 304# grade material.

Zinc toxicity causes a number of health hazards. We prioritize your health and wellness, and hence refrain from using zinc accessories in any of our products.

Multi **SYSTEM**

# Multi System Bathing for Multisensory Experience

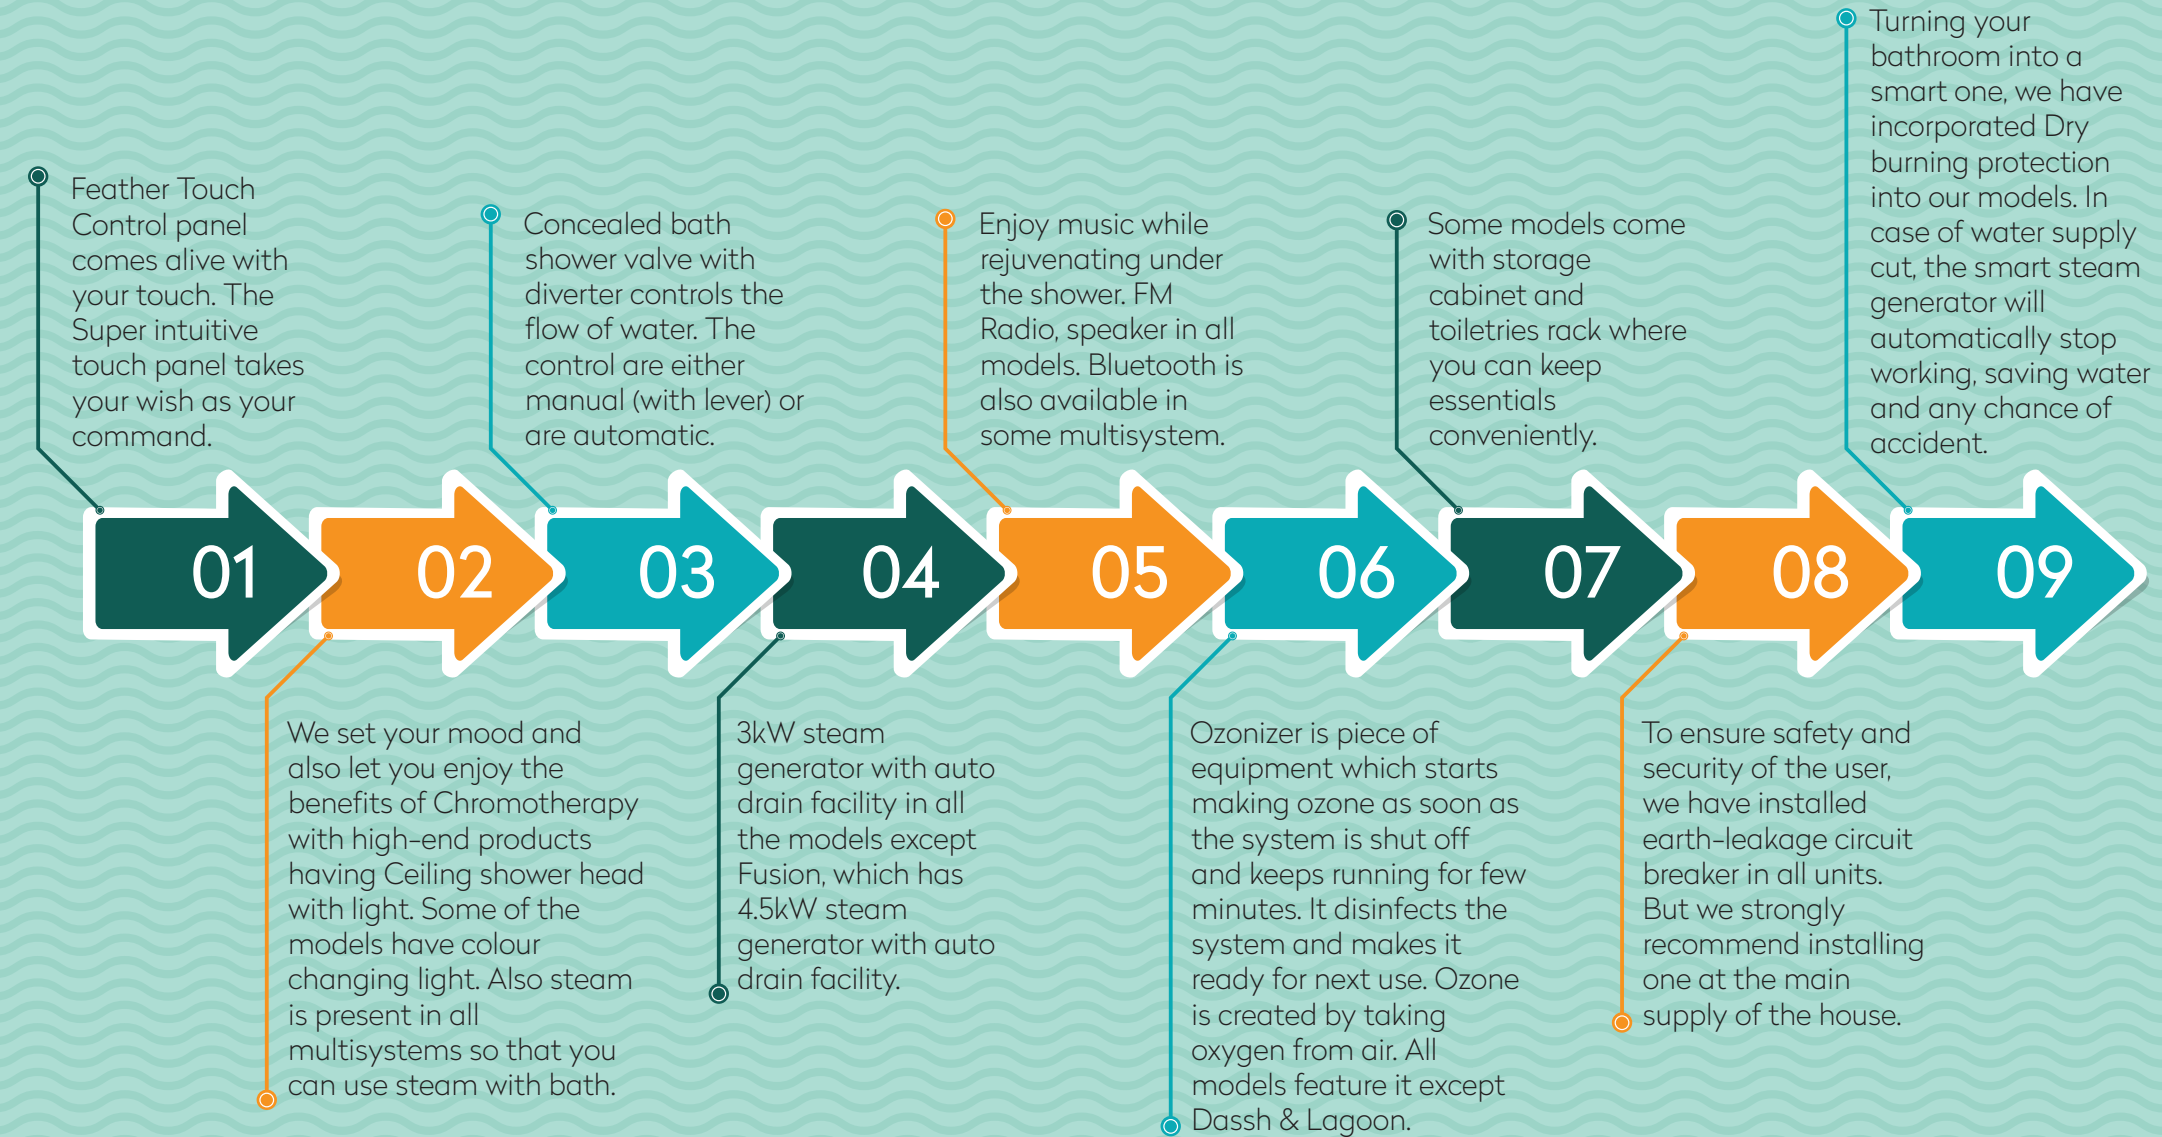

Steam, Sauna or Shower, feel the splash of all in one – presenting classy and elegant Multi System Bathing shower cabins. Get the world bathing experience through our top quality products which are especially designed to meet all your needs.

# Many Reasons to Own This Classic

Shower **ENCLOSURES**

# Soak yourself in Blissful Enclosures

Separate the wet zone in your bathroom with charismatic, glamorous shower enclosures by Oyster. Consistent designs of shower enclosures complement the style of every bathroom and give a soothing bathing experience.

# See It To Believe It

Faucets **SHOWER**

# Feel the Liveliness of Rain in your Bathroom

Multifunction rain showers produce a trickling effect on the body that uplifts the mind, body and soul. Available in a multitude of styles, sheet thickness and functionalities, Brook showers offer exhilarating benefits for one's wellbeing and relaxation. Depending upon your mood and body's need, you can turn on the rain shower, mist shower or central cascade shower, and regulate the amount of water as well.

# Beyond Reasons

1

To control leakage, Silicon seal is used between layers of shower. They are highly durable, and water repellent.

2

Mirror Finish Stainless Steel 304# with 2mm thickness in most models that adds to aesthetic appeal and increase durability, its also best in the industry. Brook 300P Purio, Ossmo, Oceanic and Blue Drop have 1.5 mm thickness.

3

Showering-area in our models are the best in the industry. High-grade showers offer unmatched bathing experience.

4

Brass is a malleable metal and is highly resistant to corrosion from water. Hence, to ensure best-in-class quality, all connectors on the back of shower are made up of Brass except mist shower connector.

5

For offering the benefits of Chromotherapy, Cascade has integrated RGB light in some models.

6

Self cleaning silicon jets are used for longer product life.

7

Specially designed compatible mixer and diverter, for high flow of temperature-controlled water.

8

Available in three colour (Chrome, Matte black and Rose gold) variants.

9

Each model is completely covered from the back that looks aesthetically good and increases the safety.

Futuristic **DIVERTERS**

# Easy Control Diverters for Pleasure Bathing

Oyster introduced high-flow thermostatic and electronic diverters in India. The diverters have levellers that tilt while being fixed on the wall, and can be controlled both horizontally and vertically for a convenient, comfortable bathing experience. With digital feather-touch control, one can adjust water flow, chromotherapy lights and more by one single touch, while in manual diverters, one has to regulate using handles and buttons.

# DIVERTERS

BEST QUALITY  
UNIVERSAL  
SHOWERING  
COMPONENT

# Choose Well
